

Experience

Sunnybank Medical Centre, Wyke, Bradford

Address: Towngate, Wyke, Bradford
Architects: The Harris Partnership
Value: £ 870,000
Project Term: April 2009 to March 2010
Project: New build extension and alteration and refurbishment to existing surgery.
Client: Medical Centre Holdings Ltd (Mr Tim Downs)

Background

Medical Centre Holdings Ltd worked closely with Torpoint Ltd to negotiate this project, which consists of a large extension and also an extensive refurbishment of the existing Doctors Surgery.

Description of Works:

The project involved the:-

- 2 Storey extension to form additional clinical rooms, community room, and administration area along with ancillary areas totalling 600m² floor area.
 - Formation of new clinical rooms in the existing surgery.
- Remodelling existing rooms to form a minor operations suite with utility areas.
 - Forming new patient entrance lobby.
 - New drainage and paved areas.

This scheme is being overseen by the NHS Primary Care Trust (Mr Bill Baker) on behalf of the doctor's practice.
