St Johns for the Deaf – Boston Spa

Address: St Johns for the Deaf – Boston Spa
Architects: Aedas
Value: £240,000.00
Project Term: 16 weeks
Project: Extension and remodelling to the school
Client: School Governors – Boston Spa

Description of Works

The work included an extensive refurbishment of the existing school accompanied with a new extension for a new performing arts studio at this boarding school in Boston Spa. This project was very sensitive due to the nature of the student's severe disabilities; however the contract was carried out with the utmost understanding and care. It was a privilege to work with such talented students and dedicated staff.
